

**CORNISH
CONCRETE
PRODUCTS**

CCP Health & Safety Policy

The Board of Directors have overall responsibility for the health, safety and welfare of employees of Cornish Concrete Products Ltd. The Company will comply with the Health and Safety at Work etc Act 1974, Regulations subsequently laid under it and meet the standards required therein.

The objective of this policy is to attain and maintain high standards of health and safety performance throughout Cornish Concrete Products Ltd.

Hazards will be identified and the risk of injury, disease or dangerous occurrence will be minimised by the achievement and maintenance of high standards of health and safety. These standards will be achieved, so far as is reasonably practicable, in particular by:

- The provision and maintenance of plant and systems of work that are safe and without risk to health
- Adequate arrangements for the regular assessment of work activities in order to identify associated hazards and control the risk arising
- Arrangements for ensuring safety and absence of risks to health in connection with the use, handling, storage and transport of articles and substances
- The provision of such information, instruction, training and supervision as is necessary to ensure the health and safety of employees of the Company
- The maintenance of any workplace under the control of the Company in a condition that is safe and without risk to health and the provision and maintenance of means of access to and egress from it that are safe and without risk
- The provision and maintenance of working environments that are without risk to health and adequate as regards facilities and arrangements for the welfare of employees of the Company
- The co-operation of employees of the Company to enable statutory obligations under health and safety legislation to be met
- A visible management commitment to high standards of health and safety performance and the promotion of a positive health and safety culture throughout the Company.
